CHARLEVOIX CITY COUNCIL

Presentations

TITLE: Discussion of Deer Population and Management Methods

DATE: September 3, 2019

PRESENTED BY: Jennifer Kleitch, Michigan Department of Natural Resources

BACKGROUND:

Wildlife Biologist Jennifer Kleitch first spoke to City Council last year about the deer population in the area. She will return after we have collected data from citizen responses and other observations in our area. Members of City Council and the Charlevoix Township Board can ask questions and discuss together strategies moving forward.
