A. 2026 Projects Affecting ROW Trees and Parks

Mr. Elliott reviewed the current projects and tree needs in the City. The Commission discussed needs in Veterans Park and the berm by the airport.

4. New Business

A. Introduction of Jeff Goward, Electric Department Director

Jeff Goward, Electric Department Director, introduced himself to the Commission and the discussed the relationship between the department and the commission's work.

B. 2026 ROW Tree Planting

The Commission also discussed the coming installation of new fiber optic lines in the ROW.

C. Master Planning Processes for Recreation and City Master Plan

Mr. Knorr discussed the process for updating the Recreation Master Plan. The plan will mostly update the 2021 plan and qualify the City for future grants from the Michigan DNR. Ms. Muladore also discussed the process to update the Master Land Use Plan by the Planning Commission.

D. Ferry Beach Management Plan and Lake Charlevoix Mariners Relocation Planning

Mr. Heydlauff discussed the background of the Ferry Beach Management Plan and the prospect of the Lake Charlevoix Mariners moving to Ferry Beach with new floating docks desired at the north end of the beach. The Commission discussed this background and also the challenges of the accessible kayak launch being potentially decommissioned.

The Commission discussed whether new trees are needed at Ferry Beach in advance of the end of life for the willows.

E. LiDAR Measurement of Street Trees

Ms. Muladore discussed using LiDAR to measure street trees and urban forestry measures. Data collected includes tree species, health, and location.

5. Public Comment

The floor was opened for public comment. None were heard.
